

Priory Academy

At Priory Academy Religious Education is taught according to the Bedfordshire Agreed Syllabus whilst incorporating the school's own existing practice. This syllabus reflects the fact that religious traditions in Great Britain are in the main Christian while also taking into account and developing an understanding of the teachings and practices of the other principal religions represented in Great Britain. "The aim of religious education in the schools of Bedford Borough, Central Bedfordshire and Luton is to contribute educationally to the development of pupils as individuals and members of society by fostering a reflective approach to life in the context of a growing understanding of the experiences, attitudes, beliefs and religious practices of humanity."

Our school Vision is underpinned by:

- Our 22 values
- High expectations of ourselves and others, in all dimensions of school life
- Inclusion and equality, which includes embracing and celebrating diversity
- Community and participation, for the common good

"The school promotes strong values of tolerance and mutual respect, and this helps to ensure that the pupils' moral, social, spiritual and cultural development is good". *Ofsted April 2013.*
