

Scheme of Work Outline – Year 9

<b>Unit 1 – Term 1</b> <b>Geography of Conflict and the Middle East</b>	<b>Unit 2 – Term 2</b> <b>Population and Urbanisation</b>	<b>Unit 3 – Term 3</b> <b>The World of Work</b>
<p>A focus on the conflicts that exist around the world; the reasons behind them including the Geography of these countries and their impacts economically, environmentally and sustainably.</p> <p>This unit will also look at the Middle Eastern countries which is a requirement for the new National Curriculum.</p>	<p>This unit will focus on where people live, the issues surrounding a growing and ageing population and also where these people live. The issue of an urbanising world will also be covered.</p> <p>Case studies will be taught using examples of countries where there is an ageing and youthful population as well as strategies to manage populations. This will be a building block for the GCSE unit of work.</p>	<p>This unit of work will focus on the different job sectors in the UK and how this has changed over time. It will also look at the impact of globalisation and transnational companies on other countries, especially in the developing world.</p> <p>Students will be expected to complete a project on a TNC of their choice and present it to the class. This will be a building block for the GCSE unit of work.</p>
