

Learning Today for a Better Tomorrow

27<sup>th</sup> February 2019

Dear Parents and Carers,

With the sun shining brightly and the spring approaching fast, it is with great pleasure that I am writing to inform you that after several months of working closely with The Scholars' Education Trust and the Department for Education, we will officially transfer to be a part of the Scholars' Education trust on Friday 1st March 2019.

This is indeed an exciting chapter in our school's history as we move forward into a new era of collaboration and partnership with very highly respected and competent schools in Hertfordshire. Our new sister schools will provide us with access to all the benefits and support that a multi-academy trust offers. It is without doubt that our new colleagues within the multi-academy trust will bring with them a wealth of experience and knowledge that can only extend and enhance what Priory has already accomplished and is keen to enrich.

It is always a privilege to lead a school, but today I feel thrilled about the future of our academy. I can only say that Priory is truly a very special place that, I know, will go from strength to strength as we continue our relentless pursuit of providing the very best of education to our young people.

Thank you for your continued support.

Yours sincerely,

Mrs M. Smith  
Headteacher
